Sir

With reference to previous correspondence regarding the proposed reorganization of the Police System in Mysore, I am directed by the Chief Commissioner to forward for your information and guidance copies of the marginally noted + letters.

+ No. 1669/64 J. dated 26th June 71 to the Secy: to the Govt. of India.
No. 213 J. dated 2nd Novr. 71 from the Secy: to the Govt. of India.

2. You will observe ~~that the~~ Government of India think it undesirable to appoint Captain Gompertz to the duty of carrying out the measure as therein indicated, and that it proposes that the organization of the new Police shall be carried out by the District Officer in each District, as soon as the village Officers have been re-established in the course of the settlement operations in it, under your orders as head of the Police, and that Government desires the preparation of a complete scheme based on the principles approved by it.

3. The Chief Commissioner therefore requests the favor of your reconsidering the subject,

as directed by Govt and will be obliged by your drawing up a new scheme which shall meet the views of the Government of India.

4 The greater part of Chitul:droog having been settled, it will the Chief Commr thinks probably be advisable to select that District for the introduction of the measure, and enquiries will be instituted as to the progress that has been made in re-establishing the village Officials in that District. The ~~as~~ Survey and Settlement Commissioner will accordingly be addressed on the subject.
